

FAITH IN PUBLIC OPPORTUNITY - Advocate on Safe Harbor

Attend a hearing on Assembly Bill 41 (Safe Harbor), which would decriminalize youth under 18 who are caught in an act of prostitution. This would place Wisconsin law in alignment with federal law, and would enable trafficked youth to receive human services rather than be re-victimized by being treated as criminals. We have supported this bill for three legislative sessions; each time it has come closer to passing. Thank you for your past support! Please join us in person if you can to

1. Register in favor of the bill and speak or
2. Register in favor and simply listen

Either way, your presence is very important at this hearing which will be held next week:

Wednesday, March 27, 2019
10:30 AM
Room 417 North (Gar Hall)
