

To increase awareness of this new benefit for parents, Hunger Task Force and the Hunger Relief Federation of Wisconsin will host information-sessions every Thursday in the month of June:

Wisconsin Pandemic-EBT: What Parents Need to Know

Pandemic Electronic Benefit Transfer (P-EBT) is a new benefit for Wisconsin families who have lost access to free or reduced-price school meals due to school closures. Families receive money on a new or existing EBT card to help fill the school meals gap. You're invited to join us for a webinar when we will help to explain this program, and how parents can access it. Please share this invitation with those who would like to join us.

Webinar Dates

Thursday, June 4th

Thursday, June 11th

Thursday, June 18th

Thursday, June 25th

All webinars will run from 11:00 am – 11:30 pm, with open Q&A 11:30am-12pm. Sessions are not part of a series; information will be repeated or similar each week.

OUR MISSION

"We believe every person has a right to adequate food obtained with dignity. We join together to provide food to people in need today and to promote public policies to end future hunger."
