[Full Wednesday Noon Live](#) program with important updates on the following:

- Next Stimulus Bill to address urgent needs
- Wisconsin State Legislature and COVID-19
- Deferred Action for Childhood Arrivals (DACA) program
- Governor's Task Force on Climate Change Report. Find report [HERE](#).
- Special Interview with Braver Angels' Julie Boler:

Our December Wednesday Noon Live featured an interview with Julie Boler, Partnerships Specialist of Braver Angels. Learn about an organization that has made great strides in helping people in highly polarized camps listen to each other and find common ground. You can hear the interview within the full Wednesday Noon Live program or as a separate video [HERE](#).
