Wednesday Noon Live

Hear about the Inflation Reduction Act in our interview with Rev. Jonathan Barker, Grace Lutheran Church in Kenosha. Rev. Barker advocated for climate justice in relation to passing the Inflation Reduction Act, and he was later invited to the bill signing celebration at the White House!

Via Witness in Society, of which LOPPW is a part, the ELCA advocated steadily on several aspects of the Inflation Reduction Act. John Johnson from our DC office was also present at the bill signing celebration. For additional information beyond our Wednesday Noon Live program, please read this excellent [blog](#) written by Christine Moffett, Hunger Advocacy Fellow in our DC office.

November 8 is time for our full General Election! Do you have a plan? Has your polling place changed? Have you moved? Are you registered? Do you have the most updated information about early voting?

In Wisconsin, go to My Vote Wisconsin: myvote.wi.gov

Michigan Voter Information: mvic.sos.state.mi.us

Note: As we approach the elections we pray for the safety of election officials and for civil discourse. Some people may also be gearing up to try to discount certain outcomes of the vote as fraudulent. Remember that whatever the outcomes, Wisconsin is ranked 8th in nation in security in our elections.

Two LOPPW Advocacy Trainings (under 30 minutes each)

LOPPW recently led two advocacy trainings for the East Central Synod of Wisconsin Advocacy for Justice team. If you are part of the ECSW and interested in individual or congregational consultations or trainings please contact the co-chairs of the ECSW Advocacy for Justice team: Claudette Harring: cbh5956@charter.net or Ron Kuehl: ronekuehl@new.rr.com.

If you are in another synod you may also contact Claudette or Ron to network and share ideas. You may also, of course, contact LOPPW for advocacy trainings - Cynthia.Crane@elca.org
